Get Financial Assistance for the Education You Need to Succeed

SDSU is an Approved Provider for the New Federal Workforce Innovation and Opportunity Act (WIOA)

San Diego State University is committed to building a strong, employable workforce in our city, with industry-specific career training. These programs ensure you have the core skills and tools you need to help local business thrive. Choose from a variety of programs to meet your career needs and goals.

**Tuition Payment Eligibility**
The federal Workforce Innovation and Opportunity Act (WIOA) helps you find a job or train for a new career. Here’s how it works:

- All adults, age 18 or older, are eligible to receive services if approved.
- Approved programs are complimentary to approved clients.
- America’s Job Centers of California provide services locally. The center near you will determine if you’re eligible to receive financial assistance for training from a provider. There are six locations near SDSU.
- To be eligible for the dislocated worker program, you must have received a lay-off notice or have been laid off due to a company closure or mass layoff. You may also be eligible if you’re unemployed and unlikely to return to your prior occupation due to economic conditions in that industry.

**Approved Online and Classroom Programs at SDSU’s College of Extended Studies**
